With 500 exhibitors coming from 38 different countries and around 25 000 visitors, the Monaco Yacht show 2007 held in Monaco's Port Hercules from the 19th – 22nd September has been once again the focal point for business in the luxury yachting sector.

With all the top-level professionals there, representing a whole range of the luxury yachting activities, the Monaco Yacht Show 2007 was the key date in the calendar for owners and buyers of large yachts.

Haas International is proud to have been part of it with the Jongert 40 T ST JEAN and would like to thank all the clients and industry colleagues who have been on board!

We look forward welcoming you next year!

*Manfred Haas, Director*

*"The MYS is renowned for being the show that must not be missed in the luxury yachting sector because it is the only yacht show exclusively devoted to Superyachts of at least 25 meters in length."*
