With its fine clipper bow, dramatic sheer line and her timeless deck house built in teak, ST JEAN combines the charm of traditional yachts with modern functionality in an ideal way. Her tank tested hull and patented Jongert folding keel provide fast crossings and opens new cruising destinations. She has modern sail handling systems like carbon fibre in-boom furling for main and mizzen sails with inside and outside steering. The elegant matt-varnished mahogany interior fashioned by Peter Sijm offers accommodation in four spacious guest and owner's cabins plus two crew cabins forward.

Maintained at highest level by professional crew.
